

## **EXAMPLE DISCLOSURE**

***Welcome to my practice. If someone recommended my services to you, I am thankful to them for doing so. If you found me in another way, I am equally appreciative and pleased that I might have the chance to work with you. I am here to help you in every way I can, but I feel it only fair and right to tell you what I can offer you, and what I cannot.***

***I am a Certified Radical Forgiveness Coach and, as such, I can teach you some highly effective, practical ways to resolve your problems.***

***But you need to know that I am not a licensed therapist or a licensed counselor. I see my role as giving you the tools that empower you to address your own problems and resolve troublesome situations yourself.***

***I am, of course, happy to listen to your 'story,' with empathy and compassion, and to suggest how you might easily resolve them using the tools of Radical Forgiveness, and/or Radical Empowerment. My fee for service is \$\_\_\_\_\_ per hour, and I bill proportionately for every 10 minutes over an hour.***
